GRV FC BN A4 PRT 40mm Ring / 60mm Spine
Cover Size: w285 x h315mm

Automatic Grooving

- Inner Liner
- Board
- Outer Wrap
- Automatic V Grooving Line

IMPORTANT

- If a full-size print is used on the outer, artwork in the turn-in area might not be fully visible, yet it's essential for a naturally inward-turning image.
- If a full-size print is used on the inner liner, please provide an additional 5mm bleed area on all sides.
- Ensure artwork is accurately positioned, such as centred to the spine or cover.
- Ring position may vary based on ring specifications.
